

## United Sports UK Tour 25<sup>th</sup> July – 5<sup>th</sup> Aug 2023

Welcome to the UK Tour,

I am former professional footballer who had the pleasure of playing for both Manchester United and England.

I have focused on the development of young players, as well as provided direction for those serious about going to the next level. All players who wish to experience this UK, Tour from 25th July 2023 to 5<sup>th</sup> Aug 2023. Please contact me. At the number or email below.

The objective will not only be to improve upon your qualities as a player, but to also introduce you to the cultural of the English game and its sport football.

The Tour will consist of Pro-training sessions aimed at the improvement of you as a player, and/or the team's necessities. Sessions can be modified or tailored as need be, along with matches arranged with local/ Academy's. In an effort to give those players serious about entering the next level and college, we have joined forces with the "Professional Football Scouts Association, a national network dedicated to evaluating players for the next level.

Training and Accommodation will be at the immaculate Mottram Hall Hotel. Mottram Hall which historically been the venue where Manchester United would prepare for matches, and teams coming to play United. It has its own replica of Old Trafford as our training and playing field.

Although the Tour is primarily focused on the growth of a player, it is understood that both parents and players will want to tour the UK/Europe. Hence, itineraries are flexible and can accommodate such plans with prior notification. The Tour itself will include visits to: Carrington (United's current training facility), and Old Trafford the Theatre of Dreams.

I will forward you Itineraries once completed.
